BROWNIE Badge Tracker

Art and Design

Date													
1. Explore art and design													
Date													
2. Experiment with the elements													
Date													
3. Learn about composition													
Date													
4. Make art about a subject													
Date													
5. Share your artwork													

BROWNIE Badge Tracker

Budget Builder

Date													
1. Find out how much things cost and how money is used													
Date													
2. Learn the difference between wants and needs													
Date													
3. Plan a budget for a fun adventure													
Date													
4. Find out how to be thrifty													
Date													
5. Make a budget for your character													

BROWNIE Badge Tracker

Budding Entrepreneur

Date													
1. Come up with an idea that makes life better													
Date													
2. Share your idea with others to get feedback													
Date													
3. Improve your idea													
Date													
4. Share how your idea works													
Date													
5. Pitch your idea to an audience													

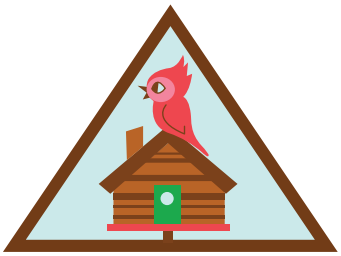
BROWNIE Badge Tracker

Bugs

Date													
1. Draw a bug poster													
Date													
2. Try a bug craft													
Date													
3. See bugs in action													
Date													
4. Explore bug homes													
Date													
5. Take a bug field trip													

BROWNIE Badge Tracker

Cabin Camper



Date													
1. Help plan your camping trip													
Date													
2. Learn about camping gear													
Date													
3. Prepare a camp meal													
Date													
4. Learn a new camping skill													
Date													
5. Go camping!													

BROWNIE Badge Tracker

Celebrating Community

Date													
1. Explore community symbols													
Date													
2. Sing together													
Date													
3. Follow a parade													
Date													
4. Be a landmark detective													
Date													
5. Join a ceremony or celebration													

BROWNIE Badge Tracker

Computer Expert

Date													
1. Paint or draw with an art program													
Date													
2. Find some cool facts													
Date													
3. Take a trip online													
Date													
4. Make a connection													
Date													
5. Have some computer fun													

BROWNIE Badge Tracker

Cookie Decision Maker

Date													
1. Get to know your Girl Scout Cookie® business													
Date													
2. Decide on your giving goal													
Date													
3. Build your team													
Date													
4. Practice handling money and tracking sales													
Date													
5. Show your cookie spirit!													

BROWNIE Badge Tracker

Craft and Tinker

Date													
1. Explore making													
Date													
2. Learn the basics													
Date													
3. Figure out the function													
Date													
4. Discover form and fit													
Date													
5. Tinker with your craft													

BROWNIE Badge Tracker

Create and Innovate

Date													
1. Explore innovation													
Date													
2. Make something for someone else													
Date													
3. Create for good													
Date													
4. Get down to business													
Date													
5. Share your creation													

BROWNIE Badge Tracker

Dancer

Date													
1. Warm up and get moving													
Date													
2. Try a new dance													
Date													
3. Take to the floor like a dancer													
Date													
4. Make up your own dance													
Date													
5. Show your moves!													

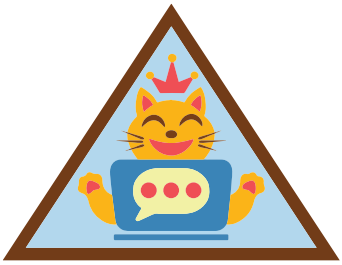
BROWNIE Badge Tracker

Democracy

Date													
1. Find out about local government													
Date													
2. Find out about state government													
Date													
3. Find out about our country's legislative branch													
Date													
4. Find out about our country's executive branch													
Date													
5. Find out about our country's judicial branch													

BROWNIE Badge Tracker

Digital Leadership



Date													
1. Explore your communities													
Date													
2. Discover your digital footprint													
Date													
3. Examine what's true and not													
Date													
4. Design a digital community													
Date													
5. Create media for change													

BROWNIE Badge Tracker

Eco Friend

Date													
1. Think of ways to help the outdoors													
Date													
2. Observe outdoor spaces													
Date													
3. Build a safe campfire													
Date													
4. Take care of wildlife													
Date													
5. Practice being kind													

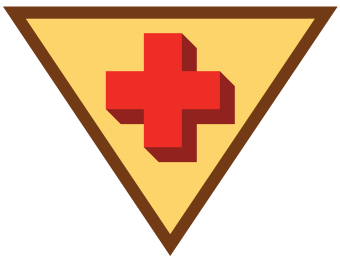
BROWNIE Badge Tracker

Fair Play

Date													
1. Follow the rules													
Date													
2. Include everyone													
Date													
3. Be part of a team													
Date													
4. Keep score													
Date													
5. Have a field day													

BROWNIE Badge Tracker

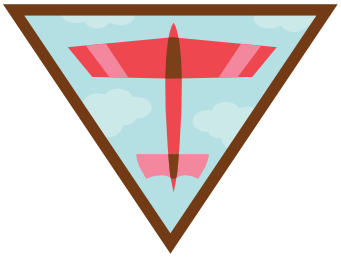
First Aid



Date													
1. Find out how to get help from 911													
Date													
2. Talk to someone who treats injured people													
Date													
3. Make a first-aid kit													
Date													
4. Learn how to treat minor injuries													
Date													
5. Know how to prevent and treat outdoor injuries													

BROWNIE Badge Tracker

Fling Flyer Design Challenge



Date													
1. Learn about forces that affect flight													
Date													
2. Design and build a Fling Flyer													
Date													
3. Test your Fling Flyer													
Date													
4. Analyze and share your results													
Date													
5. Brainstorm ways to improve your design													

BROWNIE Badge Tracker

Girl Scout Way

Date													
1. Find out how to get help from 911													
Date													
2. Talk to someone who treats injured people													
Date													
3. Make a first-aid kit													
Date													
4. Learn how to treat minor injuries													
Date													
5. Know how to prevent and treat outdoor injuries													

BROWNIE Badge Tracker

Give Back

Date													
1. Find out about businesses that give back													
Date													
2. Set a giving goal													
Date													
3. Involve your customers													
Date													
4. Practice giving back													
Date													
5. Tell your cookie customers how they helped													

BROWNIE Badge Tracker

Hiker

Date													
1. Decide where to go													
Date													
2. Try out a hiking skill													
Date													
3. Pick the right gear													
Date													
4. Pack a snack for energy													
Date													
5. Go on your hike!													

BROWNIE Badge Tracker

Home Scientist

Date													
1. Be a kitchen chemist													
Date													
2. Create static electricity													
Date													
3. Dive into density													
Date													
4. Make something bubble up													
Date													
5. Play with science													

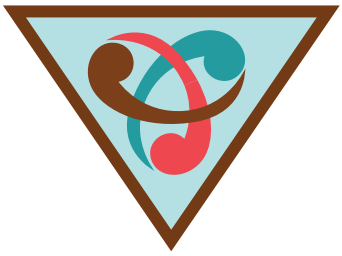
BROWNIE Badge Tracker

Household Elf

Date													
1. Save energy													
Date													
2. Save water													
Date													
3. Go natural													
Date													
4. Reuse or recycle													
Date													
5. Clear the air													

BROWNIE Badge Tracker

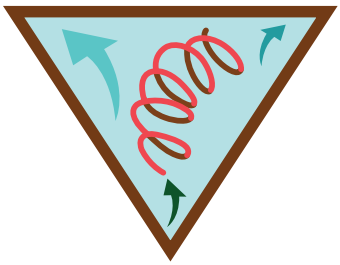
Inventor



Date													
1. Warm up your inventor's mind													
Date													
2. Find lots of ways to solve the same problem													
Date													
3. Make a needs list													
Date													
4. Solve a problem													
Date													
5. Share your invention													

BROWNIE Badge Tracker

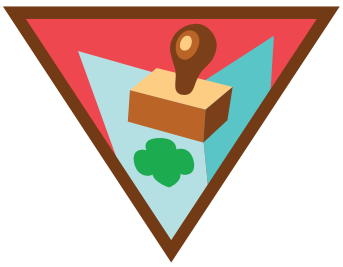
Leap Bot Design Challenge



Date													
1. Learn about springs													
Date													
2. Build your Leap Bot													
Date													
3. Create a way to test how well your Leap Bot performs													
Date													
4. Record the results of your test													
Date													
5. Share your results													

BROWNIE Badge Tracker

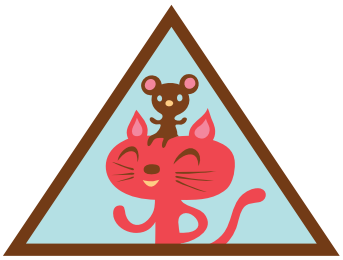
Letterboxer



Date													
1. Get started with letterboxing													
Date													
2. Find your own stamp													
Date													
3. Practice solving clues													
Date													
4. Search for a letterbox													
Date													
5. Make a letterbox													

BROWNIE Badge Tracker

Making Friends



Date													
1. Make friendly introductions													
Date													
2. Show friends you care													
Date													
3. Share favorite activities													
Date													
4. Learn how to disagree													
Date													
5. Practice friendship!													

BROWNIE Badge Tracker

Making Games

Date													
1. Try a scavenger hunt													
Date													
2. Make up a mystery game													
Date													
3. Create a party game													
Date													
4. Change the rules													
Date													
5. Invent a whole new sport													

BROWNIE Badge Tracker

Meet My Customers

Date													
1. Find out where your customers are													
Date													
2. Talk to some customers													
Date													
3. Practice handling money and making change													
Date													
4. Role-play good customer relations													
Date													
5. Thank your customers!													

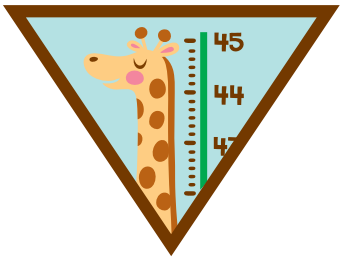
BROWNIE Badge Tracker

Money Manager

Date													
1. Shop for elf items with your elf doll													
Date													
2. Go grocery shopping													
Date													
3. Go clothes shopping													
Date													
4. Get ready for school													
Date													
5. Have some fun													

BROWNIE Badge Tracker

My Best Self



Date													
1. Get to know your body													
Date													
2. Eat and play in a healthy way													
Date													
3. Find out how your body works													
Date													
4. Know what to do if something bugs you													
Date													
5. Meet a health helper													

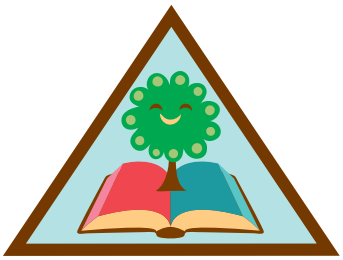
BROWNIE Badge Tracker

My Cookie Customers

Date													
1. Learn about Girl Scout Cookies®													
Date													
2. Decide how to use your cookie money													
Date													
3. Find customers													
Date													
4. Handle money and make change													
Date													
5. Connect with customers													

BROWNIE Badge Tracker

My Family Story



Date													
1. Explore family stories													
Date													
2. Know where your family is from													
Date													
3. Make a story tree													
Date													
4. Find an object that means something to your family													
Date													
5. Share your family story													

BROWNIE Badge Tracker

My Great Day

Date													
1. Start your day right													
Date													
2. Sort out your stuff													
Date													
3. Make homework a breeze													
Date													
4. Plan ahead													
Date													
5. Help others get organized													

BROWNIE Badge Tracker

My Own Budget

Date													
1. Find out how people spend money													
Date													
2. Learn how to save													
Date													
3. Find out what it means to share													
Date													
4. Explore your wants and needs													
Date													
5. Make a budget and set goals													

BROWNIE Badge Tracker

Outdoor Adventurer

Date													
1. Play outdoors in a new way													
Date													
2. Explore nature													
Date													
3. Buddy up and play outdoor games													
Date													
4. Learn a camp skill													
Date													
5. Care for the outdoors													

BROWNIE Badge Tracker

Outdoor Art Creator

Date													
1. Find art ideas outdoors													
Date													
2. Make something!													
Date													
3. Dance or make music outdoors													
Date													
4. Be a nature photographer													
Date													
5. Design with nature													

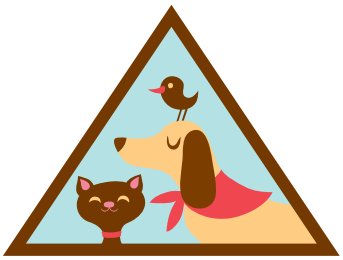
BROWNIE Badge Tracker

Painting

Date													
1. Get inspired													
Date													
2. Paint the real world													
Date													
3. Paint a mood													
Date													
4. Paint without brushes													
Date													
5. Paint a mural													

BROWNIE Badge Tracker

Pets



Date													
1. Find out what care different pets need													
Date													
2. Keep a pet comfy													
Date													
3. Help a pet stay healthy and safe													
Date													
4. Make a pet feel loved													
Date													
5. Feed a pet													

BROWNIE Badge Tracker

Philanthropist

Date													
1. Learn what every person needs													
Date													
2. Investigate how to help people who are hungry													
Date													
3. Find out how to help people who need clothing													
Date													
4. Know how to help in times of emergency													
Date													
5. Think—and act—like a philanthropist													

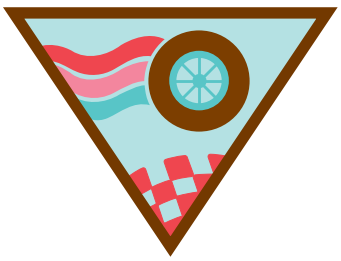
BROWNIE Badge Tracker

Potter

Date													
1. Find some pottery													
Date													
2. Get to know clay													
Date													
3. Make a simple pot													
Date													
4. Make an art piece													
Date													
5. Paint and glaze!													

BROWNIE Badge Tracker

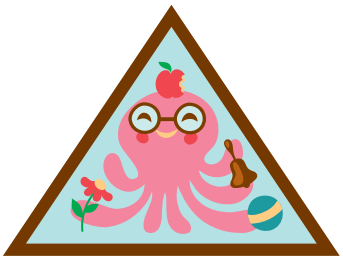
Race Car Design Challenge



Date													
1. Learn how design can affect speed													
Date													
2. Design and build your race car													
Date													
3. Design your racetrack													
Date													
4. Conduct a fair test and record results													
Date													
5. Share what you learned													

BROWNIE Badge Tracker

Senses



Date													
1. Look around													
Date													
2. Listen to the world													
Date													
3. Put your nose to work													
Date													
4. Take a taste test													
Date													
5. Touch and feel													

BROWNIE Badge Tracker

Snacks

Date													
1. Find out about different types of snacks													
Date													
2. Make a savory snack													
Date													
3. Try a sweet snack													
Date													
4. Snack for energy													
Date													
5. Slurp a snack													

BROWNIE Badge Tracker

Snow or Climbing Adventure

Date													
1. Choose your outdoor adventure													
Date													
2. Plan and prepare													
Date													
3. Gather your gear													
Date													
4. Train for your adventure													
Date													
5. Go on your outdoor adventure													

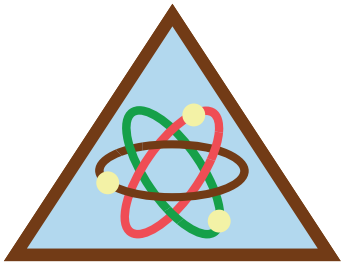
BROWNIE Badge Tracker

Space Science Adventurer

Date													
1. Meet the neighbors													
Date													
2. See more than before													
Date													
3. Investigate the Moon													
Date													
4. Be a stargazer													
Date													
5. Celebrate and share													

BROWNIE Badge Tracker

STEM Career Exploration



Date													
1. Explore your interests													
Date													
2. Discover the possibilities													
Date													
3. Learn about the day-to-day													
Date													
4. Brainstorm your next steps													
Date													
5. Share your goals													

BROWNIE Badge Tracker

Trail Adventure

Date													
1. Choose your outdoor adventure													
Date													
2. Plan and prepare													
Date													
3. Gather your gear													
Date													
4. Train for your adventure													
Date													
5. Go on your outdoor adventure													

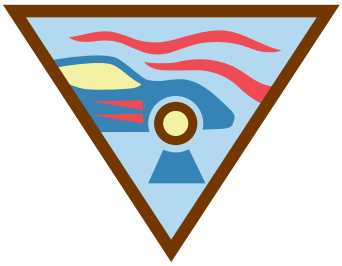
BROWNIE Badge Tracker

Automotive Engineering: Design

Date													
1. Explore how people move from place to place													
Date													
2. Discover design criteria													
Date													
3. Choose your vehicle's design criteria													
Date													
4. Sketch a vehicle to meet your criteria													
Date													
5. Sculpt and share your vehicle													

BROWNIE Badge Tracker

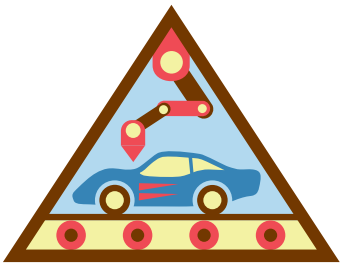
Automotive Engineering: Engineering



Date													
1. Learn about simple machines in vehicles													
Date													
2. Engineer a vehicle for safety based on criteria													
Date													
3. Build a vehicle prototype													
Date													
4. Test and revise your vehicle prototype													
Date													
5. Share your vehicle prototype and testing results													

BROWNIE Badge Tracker

Automotive Engineering: Manufacturing



Date													
1. Experience the manufacturing process													
Date													
2. Learn about the automotive manufacturing process													
Date													
3. Plan your own automotive manufacturing process													
Date													
4. Manufacture a set of vehicles													
Date													
5. Share your automotive manufacturing process													

BROWNIE Badge Tracker

Cybersecurity: Basics

Date													
1. Find out how you use technology													
Date													
2. Discover what your technology can do													
Date													
3. Find out how to create layers of security													
Date													
4. Find out how to use real-life safety rules when you go online													
Date													
5. Find out how messages travel on the internet													

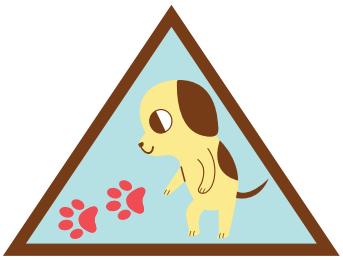
BROWNIE Badge Tracker

Cybersecurity: Safeguards

Date													
1. Create your identity													
Date													
2. Find out what information to keep private when you go online													
Date													
3. Find out how to share information safely online													
Date													
4. Find out why you have to be careful about who you trust online													
Date													
5. Find out how messages travel on the internet													

BROWNIE Badge Tracker

Cybersecurity: Investigator



Date													
1. Crack a code to solve a problem													
Date													
2. Investigate what's real and fake in photos													
Date													
3. Find out about digital footprints													
Date													
4. Investigate how a computer virus can spread													
Date													
5. Explore a cyber attack													

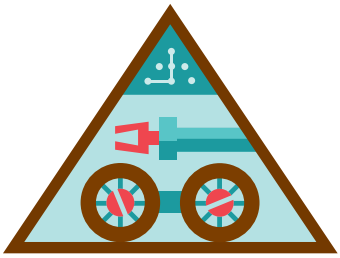
BROWNIE Badge Tracker

Robotics: Programming Robots

Date													
1. Learn how robots work													
Date													
2. Discover the robot brain													
Date													
3. Learn about programming													
Date													
4. Try simple programming													
Date													
5. Code a robot													

BROWNIE Badge Tracker

Robotics: Designing Robots



Date													
1. Explore how robots imitate nature													
Date													
2. Learn about the parts of a robot													
Date													
3. Plan your robot													
Date													
4. Create a prototype													
Date													
5. Get feedback on your robot													

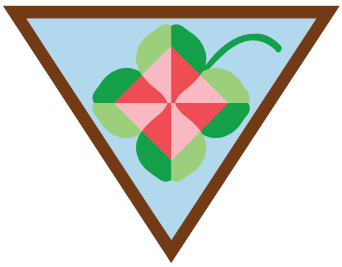
BROWNIE Badge Tracker

Robotics: Showcasing Robots

1. Create a presentation to share how you designed your robot	**Date**												
2. Tell others how you designed your robot	**Date**												
3. Learn about robotics competitions	**Date**												
4. Learn about robotics teams	**Date**												
5. See robots in action	**Date**												

BROWNIE Badge Tracker

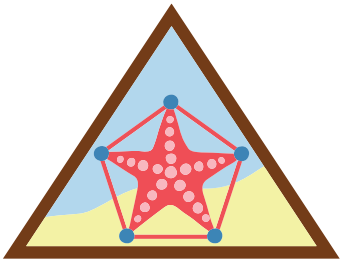
Shapes in Nature



Date													
1. Track natural objects													
Date													
2. Graph your scavenger hunt finds													
Date													
3. Make a spider web with symmetry													
Date													
4. Explore tessellations													
Date													
5. Count birds and share your data													

BROWNIE Badge Tracker

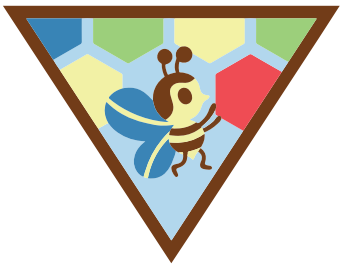
Numbers in Nature



Date													
1. Explore temperature													
Date													
2. Measure the length of leaves													
Date													
3. Graph your leaf data													
Date													
4. Find space to grow													
Date													
5. Plot and plant a garden													

BROWNIE Badge Tracker

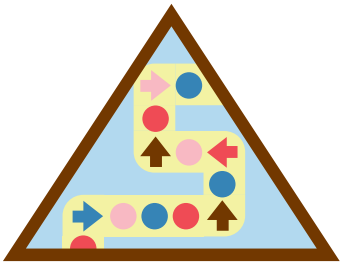
Design with Nature



Date													
1. Calculate the age of a natural object													
Date													
2. Explore the shape of beehives													
Date													
3. Measure and build a bird feeder													
Date													
4. Use ratios to make bird food													
Date													
5. Graph data about birds													

BROWNIE Badge Tracker

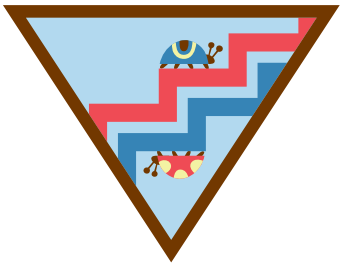
Coding for Good: Basics



Date													
1. Create algorithms for a computer that follow a sequence													
Date													
2. Use loops to improve your algorithm													
Date													
3. Use events to make things happen													
Date													
4. Learn about women in computer science													
Date													
5. Create your own set of commands that use events													

BROWNIE Badge Tracker

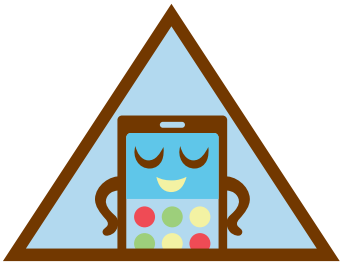
Coding for Good: Digital Game Design



Date													
1. Discover how game design can be used “for good”													
Date													
2. Explore tools used to develop digital games													
Date													
3. Plan a maze game													
Date													
4. Build, test, and improve your maze game using iteration													
Date													
5. Share your game with others													

BROWNIE Badge Tracker

Coding for Good: App Development



Date													
1. Discover how apps can be used “for good”													
Date													
2. Decompose the needs of your app user													
Date													
3. Design your app screens													
Date													
4. Create algorithms for your app that include events													
Date													
5. Share and improve your app with user feedback
